Dear Mr. Nash:

I am responding to your request for information received via email on March 6, 2019 and clarified on March 13, 2019. In your email you asked for "...All submitted comments or testimony received regarding proposed changes to rules surrounding the Lee Monument received between Jan. 1, 2019 and the time this request is processed."

DGS previously provided you the link to website that holds the public comments received. Attached is the transcript of the public hearing held on March 6, 2019 and two comments received via email.

I hope this information is helpful. Thank you for your inquiry.

Sincerely,

A handwritten signature in blue ink that reads "Dena Potter".

Dena Potter  
Director of Communications
